### Principals Message

**DISTRICT SWIMMING**

Congratulations to all the children who have been selected to participate in the District swimming carnival this Friday 22nd February. Thank you to Mrs Pomeroy and Mr Pearson for their supervision and extra work they have put in so that children can attend this event.

**PARKING**

When parking and dropping off children there are “no stopping zones” either side of our school crossing in Hogarth Street. Please do not stop in these zones as it makes it very difficult for drivers to “see around” your car. The police will be visiting our zones, please take care.

Regards

GRAHAM JOHNSON

### CLEAN UP SCHOOLS DAY

Each year thousands of school students across Australia participate in this event to create a healthier environment for Australia and learn about ways to conserve our beautiful country.

Could you please send in some sturdy gloves for your child, to use while they are participating in cleaning up our school.
