Children participate in educational programs and excursions designed to develop their social and emotional skills, build self-esteem and improve their overall well-being. This experience provides children with a much needed break from their current circumstance.

The NSW Department of Education and Communities provides infrastructure and staffing support for this school. All others costs associated with the children’s stay are met from charitable donations.

Our school is raising money for this most worthwhile program. The SRC will be selling handballs for the low cost price of $1.50 in the area near the canteen each morning.
