The Pick It! Eat It! Family Pizza event will be delivered from the community garden with the aim of introducing children and families to the harvest – cook – eat – plant at home cycle using pizza as our foundation!!!!

The day will start at 10.30am with a volunteer induction followed by set up. At 11.30am when families arrive there will be a harvest walk, cooking demonstration and the opportunity to make and cook their own pizzas in the garden pizza oven. Families will also be invited to plant their own tomato plant and basil to take home so that they can recreate this for another family meal.

But .... Even more exciting – is that this event will also include the Mud Fun activity.

The day will target the residents living close to the garden, children from ACG transition to school program, and 2528 Project families. We are catering for 50 kids.

SO I am looking for volunteers on the day to help with all aspects from setting up to manning different stations. It will be sooooo much fun and you’d even get to play in the mud!!!!!!! It will be a great opportunity to see how this ultra unique community mentoring, and leadership program may be utilised for your group.

Please let me know asap if you are available.

Making it better – Together
Thank you to everyone who has brought back their Library Books to the Library. If you haven't done so yet just drop them up to me in the Library and receive a special treat!!!

A Big Thank you to all parents and members of our community who have given their time and support to the Library, covering books, Book Fair and Book Club this year: Dani and Michael McManus, Kym Robinson, Rebecca Croker, Donna Cahill, Dorothy and Brent Cross. A huge thank you to my Library monitors in 2014: Keeley Bannister, Jack Bellev, Talia Bahce, Matthew Girdlestone and Chloe Eleftheriadis. These children were amazing in their commitment and helpfulness and came almost every lunchtime to assist other children. Keeley and Jack particularly showed leadership and dedication to their role. The students also brought their cheerfulness and giving spirit to the Library, which was wonderful to be around. Thanks also to the other students who have assisted me in the Library from time to time throughout the year.

I wonder if Santa bags make good Library bags?????They'd probably be too big!
